PRODUCT DATA SHEET

WASH & WAX

PRODUCT INFORMATION:

Wash & Wax contains specially blended Polymer Sealants which will provide your caravan with a high performance gloss finish. Also safe to use on your Caravan Awning!

Wash & Wax is a high foaming formula designed to assist in removing all dirt, grime, mould, tree sap and bugs, while offering a streak free finish. Specially designed not to fade or discolour decals and fabrics

DIRECTIONS FOR USE:

For general washing Mix 50ml with 10 Litres of hot or cold water into a bucket. Double the concentration for heavy duty areas such as wheels, chassis and grease build up. When using the Caravan Cleaning Solutions Foaming Gun, pour contents undiluted into cannister. Safe to use with hot or cold water. Don't forget to check out the website for more detailed uses.

APPLICATIONS:

Can be used on all surfaces including plastic, rubber, chrome, aluminium and paintwork. Safe to use on Caravans, RV's, Cars, Boats, Motorbikes.

BENEFITS:

- High Performance Gloss Finish
- Fully Biodegradable
- Environmentally Friendly
- Premium Quality Formula
